If paid biweekly, payroll deductions will begin within 2-3 weeks
of receiving your child's application. If paid monthly, your payroll
deductions will begin the following pay period. To determine the
amount of your deductions, the total payment will be equally
divided by the number of pay periods remaining before summer
camp begins. Deductions are scheduled so that the total
payment is complete by your child's first day of camp enrollment.

DISCOVERY STEM CAMP

Young children are adventurous and love to explore and investigate objects, spaces and concepts. At Discovery **STEM** Camp, they will experience exciting field trips that will wow them in a fun-filled atmosphere of learning. They will explore marine biology & wildlife, rocks & minerals and find excitement with Legos and robots.

This summer, we will partner with your child in exploring and investigating various elements of STEM that will peak their curiosity.

In addition to fun activities, The Clifton School will continue to offer an interactive and interpersonal learning environment that will keep our campers engaged and excited about the process of acquiring knowledge.

We are honored to have your child join us for a fantastic summer of interactive learning, meeting new friends, and reconnecting with old friends as we discover new interests.
