2023 DISCOVERY CAMP

Young children are curious and driven to explore and investigate their world. At Discovery Camp, they will experience exciting in-house field trips that will wow them in a fun-filled atmosphere of learning.

They will explore nature and animals and find excitement with science, art and sports. In addition to engaging activities, The Clifton School will continue to offer a safe, interactive, and interpersonal learning environment that will keep our campers engaged and excited about the process of acquiring knowledge.

We are honored to have your child join us for a fantastic summer of interactive learning, meeting new friends, and reconnecting with old friends as we discover new things!
